

EDUCATION

FALL & WINTER 2018

At the Y, we help you connect the pieces of the learning puzzle.

Our affordable tutoring program is staffed with qualified educators who build support networks between students, parents and teachers. Each student is given a plan and tools to overcome obstacles.

INDIVIDUAL K-12 ACADEMIC TUTORING

Reading, Math, Science, Social studies, ESL, Spanish. Let our experienced, state certified tutors assist your child in reaching his or her academic goals. Our tutors work one-on-one with students to assess their strengths and weaknesses. An academic plan is designed to address their challenges with exams, homework, and study skills. The sessions' times and dates are tailored around your family's busy schedule. Ongoing sessions are one hour in length, and you can purchase multiple sessions at a time. Tutoring sessions are held at the Fulton YMCA.

Members: \$25 / Non members: \$40

BEFORE & AFTER SCHOOL CARE

We offer a licensed before and after school child care program for the Fulton City School District. Our School Age Program reinforces positive values in a caring atmosphere, with activities intentionally designed to help kids make friends and grow stronger in mind, body and spirit.

Children build confidence, trust and positive values by making friends and taking part in group projects and activities where fair play, team work and responsibility are emphasized. In addition we offer assistance with homework. A healthy snack is provided. For an additional fee, care is also available on half days, delays, vacation days and snow days (Vacation Zone).

HEPA (Healthy Eating and Physical Activity) guidelines are being implemented. Snacks served will be fruits, vegetables and other healthy alternatives that promote a healthy lifestyle for all children in the program. For more information or to register you can pick up the forms at the Fulton Family YMCA or online at www.fultonymca.com.
