A chair is available for support. This class is suitable for nearly every fitness level and can be adapted depending on the skill of individual participants.
- Vin/Yin Yoga** This synergetic yoga class fuses the two distinct styles of Vinyasa Yoga, a warming and heart-opening yang practice that allows prana, or energy, to flow through your body as you move with your breath through a sequence of poses, and Yin Yoga, a more gentle, restorative form of yoga which targets deep connective and fascia tissue to promote flexibility and self-love, in order to help you cultivate an enduring sense of vitality and rejuvenation.
